1 Introduction & Reports

Introduction

This ESG Data Factsheet aims to provide a consolidated overview of LANXESS' non-financial performance. Metrics included in this datasheet cover our activities during the period January 1 to December 31 for the years indicated.

This ESG Data Factsheet presents the performance data tables previously included in LANXESS Annual Report and corporate website.

Note to users

Performance data included in this factsheet is discussed further in the Annual Report 2020 and on the LANXESS corporate website. The factsheet should be read in conjunction with the Annual Report and the website and is not a substitute for it. The most recent data available is provided.
